# GRNT 300.1

**CONTROL** + Superior performance in torque and stopping power; premium OE quality material.

**LIFE** + Outstanding durability, less rotor and pad wear.

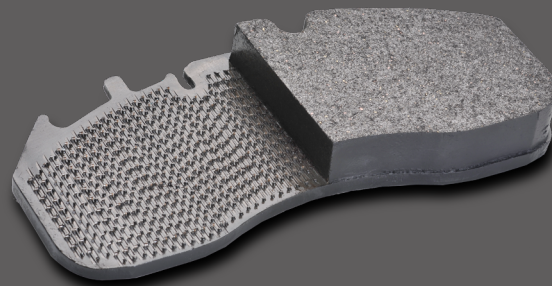

**COMFORT** + V-Groove, Slot & Chamfers for minimizing noise and wear (when applicable).

**ECO** + "N-Type" (Copper Free) friction material.

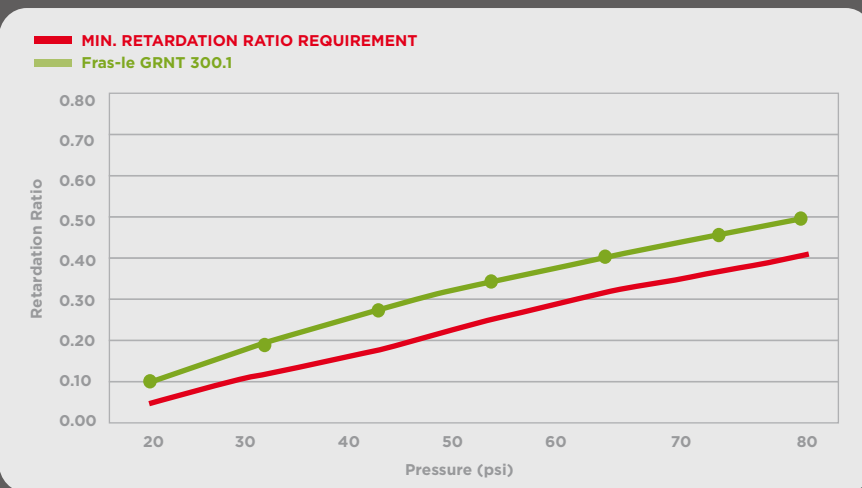

**STRONG** + Superior structural integrity and attachment system.

ESTERVENE 11/2023

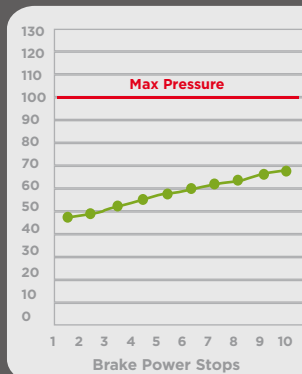

## FMVSS 121 RESULTS:

### Retardation Ratio

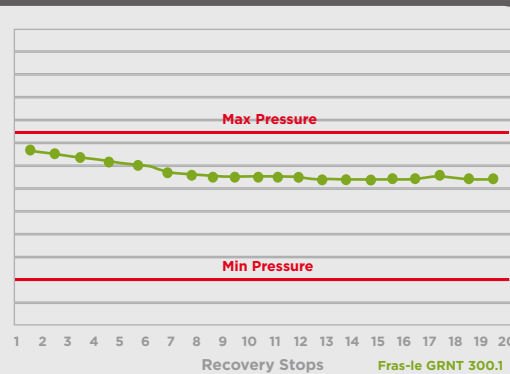

- Advanced Mechanical Retention System;
- OEM Quality Backing Plate;
- Large V-Groove\* prevents wear debris bridging under heavy duty conditions;

### Brake Power

### Brake Recovery

- FMVSS 121 & ECE R90 Certified;
- Premium hardware kit included.

Air Chamber: T18  
Gross Axle Weight Rating: 23,000 pounds  
Rolling Radius (SLR): 19.6 inches
